Hom Hits 'Secret' Council Meetings

BY DAVID LEWIS
Sentinel Staff Reporter

City Councilman Tom Hom said yesterday that he boycotted an early morning City Council "coffee" because he feels it was in violation of state anti-secrecy law.

Hom said he thinks an informal session held Tuesday morning before the regular City Council meeting is in violation of the state's Brown Act. The meeting, called Monday, was not open to the press.

"If we're going to have conferences we should have them in the conference room like we have in the past," said Hom. "To have a get-together on a regular basis before council sessions violates the Brown Act. People have a right to know what is discussed among councilmen. Some things we can justify by saying it's

just a get-together, but I think this is a session to discuss city business."

Hom said it was his understanding that the meetings would be held on a weekly basis. The council's conference agenda schedule for the remainder of January shows no further conferences—open to the public and press—scheduled on Tuesday mornings.

Chief Deputy City Attorney John Witt said late Tuesday that he did not feel the meetings violated the state's Brown Act unless decisions were made during the sessions.

"We feel that we must make sure that the council understands this," said Witt. "I think they do, but perhaps it will be necessary for us to remind them."

Hom said that despite the attorney's ruling he feels that it is "up to the public to decide"

whether such sessions should be permitted.

"Just because the attorney sits in on these sessions doesn't give him the prerogative to decide whether there is a violation or not," said Hom.

Deputy Mayor Helen Cobb said she initiated the sessions "to make everyone available at the same time to talk to whoever they want to." She said the sessions were not designed to be formal or for discussion of a single topic.

Mrs. Cobb said that if the sessions started centering around specific topics that the council would return to public conference sessions.

Three other City Councilmen also defended the council's position in having the meetings.

"There is no law requiring the press to have coffee with the council," said Councilman Mike Schaefer. "We didn't make any decisions."

Schaefer said the meeting was called by Deputy Mayor Helen Cobb to help heal a hurt between the council and Mayor Frank Curran that developed late last year because of city elections.

"This was an opportunity to have coffee and donuts with the Mayor and find out that he's not such a bad guy," said Schaefer. "It was a 'kiss and make up' session."

Schaefer said that formal conferences and meetings have not allowed better relations to develop between the mayor's office and those of the council.

Councilman Sam T. Loftin also reiterated that no decisions had been made. He said the council should not be obligated to invite the press "everytime we want to get together."

Label Drive Begun Again

A community identification marker program financed by the city that would label various areas of the city with standardized signs has been suggested by City Councilman Mike Schaefer.

Schaefer, who last year initiated a policy that would allow communities to erect their own signs, is now proposing that the city develop standard signs to identify recognizable communities. Schaefer said that despite last year's policy there has been no signing by town council groups.

Schaefer said the signs would be for the convenience of visitors and residents to let them know what part of town they are in. In a memo to the city manager, Schaefer said that a similar program in Los Angeles has provided 300 signs for 75 communities.

The councilman said the Los Angeles signs cost about \$25 each. He asked the manager to evaluate his proposal and that a council conference be called to consider the idea.

Two Years' Work Plotted By Chamber

Monday's meeting of the Peninsula Chamber of Commerce saw plans made for two years, not one.

The first meeting of the new year established 1968 as a prelude to the 200th Anniversary year, 1969, a "trial run for the big year," according to member Billy Riley.

President Chuck Bahde took care of a number of administrative necessities such as the formation of committees, many of which will continue into the next year.

Besides the formation of new committees and reports from old committee chairmen, the meeting heard the thoughts of Councilman Sam Loftin on the 200th Anniversary, Sunset Cliffs, develop-

ment of land next to Spanish Landing, and his own job. Loftin suggested the development of the barren land beyond Spanish landing, including landscaping, shrubs, and benches constructed in coordination with the Harbor, the Navy, and the city.

The 200th Anniversary may require the condemnation of portions of Old Town in order to facilitate their purchase by the state, said Loftin.

In further brief remarks, he mentioned that he was negotiating to get funds for

Senate erosion studies concerning Sunset Cliffs erosion. Loftin suggested a thorough study of the possibility of redevelopments such as those at Bird Rock.

Loftin also mentioned, "I

am still looking for the person who says this is a part time job. But the 40-50 hours a week are a great challenge.

In other business, committees appointed were:

—Community advertising. The new committee would take care of problems such as the one which arose recently concerning the publicity for the whale run. Each hotel and motel owner in the area should have information about the departure of whale boats and the nature of the whale migration. The new committee would insure that the natural events of the Peninsula are advertised locally and afar.

—Pier committee. The celebration for Ocean Beach

Mexican Americans Feel Frustration Of Neglect

By KAY LARSON
Sentinel Staff Reporter
(First of a series.)

For San Diego's largest minority, there is a bitter irony in the city's high-budgeted glorification of its Spanish heritage.

The irony is that many Spanish-Americans and Mexican-Americans, neglected descendants of the old conquerors, live in poverty and despair as acute as the Negro's, while almost totally withdrawn from the wealthy so-

ciety that builds monuments.

As plans for the 200th Anniversary mount into the millions of dollars, Mexican-American leaders choke down frustration.

There is a danger that leaders will succumb to despair, will give up the fight, according to spokesmen such as Frank Saiz, director of the Linda Vista Neighborhood Service Center, which is a government-supported poverty organization directed in part toward the Mexican-American.

Not all of the leaders' frustration is directed at the white community, which is almost totally ignorant of the brown race's plight.

The so-called "forgotten minority" earns its name by neglecting its own identity and problems, according to Mexican-American leaders. If the white population is hard to convince, the brown population is almost impossible to unite.

Educated Mexican-Americans bemoan the lack of coordinated leadership within their own community. Militancy is required to bring the attention of the nation to bear on the Mexican-American's problem, yet militants like Bert Rivas at San Diego State College are so sparse

they are unable to find backing from their own people.

The established leadership "is often more concerned with breaking bread with the city fathers than rocking the boat," according to Saiz.

Most of the attention at organizations like the Citizens Interracial Council or city and state government is received by the Negroes, claims Saiz.

The Negroes have worked for their attention by becoming highly organized, an organization which Saiz and his cohorts have felt is sadly lacking within the Mexican-American community, and which probably accounts for occurrences such as San Diego State's recent dialogue on problems of education for minorities, debated by a panel of four Negroes and one white.

Saiz and his friends—Rivas, Frank Cuenca, the only Mexican-American counselor in San Diego; Dr. Uvaldo Palomares from San Diego State, and several others—have decided to take the task of organization into their own hands. Tonight they will hold a conference to hash over problems and to establish a unity among Mexican-American leaders.

The group feels that a ma-

ior problem is bringing Mexican-Americans into involvement in their own communities. The Mexican-American tends to form a totally withdrawn subculture which never participates in or understands the broader American culture.

Until integration into the community is begun, the group feels that hope of progress for the brown peoples is lost.

The minority of activists is beginning to move. Besides the informal dialogue tonight, Saiz is trying to coordinate (with Dr. Martin Chamberlain of the University of California, Santa Barbara), a Mexican-American leadership conference, assembling leadership in San Diego in somewhat the manner of an NAACP, perhaps with a Ford Foundation grant.

Living Versus Dead

Such dialogues are only the barest of beginnings.

The central problems remain—exposing the Mexican-American's problems to the white power structure, and rousing the poor out of their hopeless lethargy, until the time when San Diego can begin showing as much concern for its living Spanish heritage as it does for its dead one.

OCEAN BEACH, SHELTER ISLAND

Tourist Industry Figures-In Greatly

(Editor's Note: This is the fifth in a series of articles outlining the Peninsula Community Plan, the work of the community planning organization, Peninsulans Inc.)

Designating two areas, one in Ocean Beach and one on Shelter Island, as medium-density hotels and motels, like a local Riviera, does more than just provide living space.

Such commercial-recreation usage (discussed last issue) attracts one of San Diego's largest "industries," the tourist trade.

Designation of certain areas as tourist attractions and stopping places fits in with another of Peninsulans Inc. community goals: utilizing the tourist industry by combining the economic benefits of tourism and commercial services, in a manner beneficial to the community.

One of the problems Peninsulans Inc. has struggled with in this regard is the proper location for tourist services, taking into account the resulting traffic problems, aesthetic quality, and the need

for adjacent commercial services.

Shelter Island's present commercial development and northern Ocean Beach's proximity to Mission Bay make both sites ideal for development into commercial-recreation spots.

For the residential community, a high degree of concern from Peninsulans Inc. has been placed with the quality of public facilities

such as parks, schools, libraries, and fire protection.

To this end, Peninsulans Inc. has recommended the development of Ocean Beach Park and the planned development of other neighborhood and community park facilities, few of which now exist.

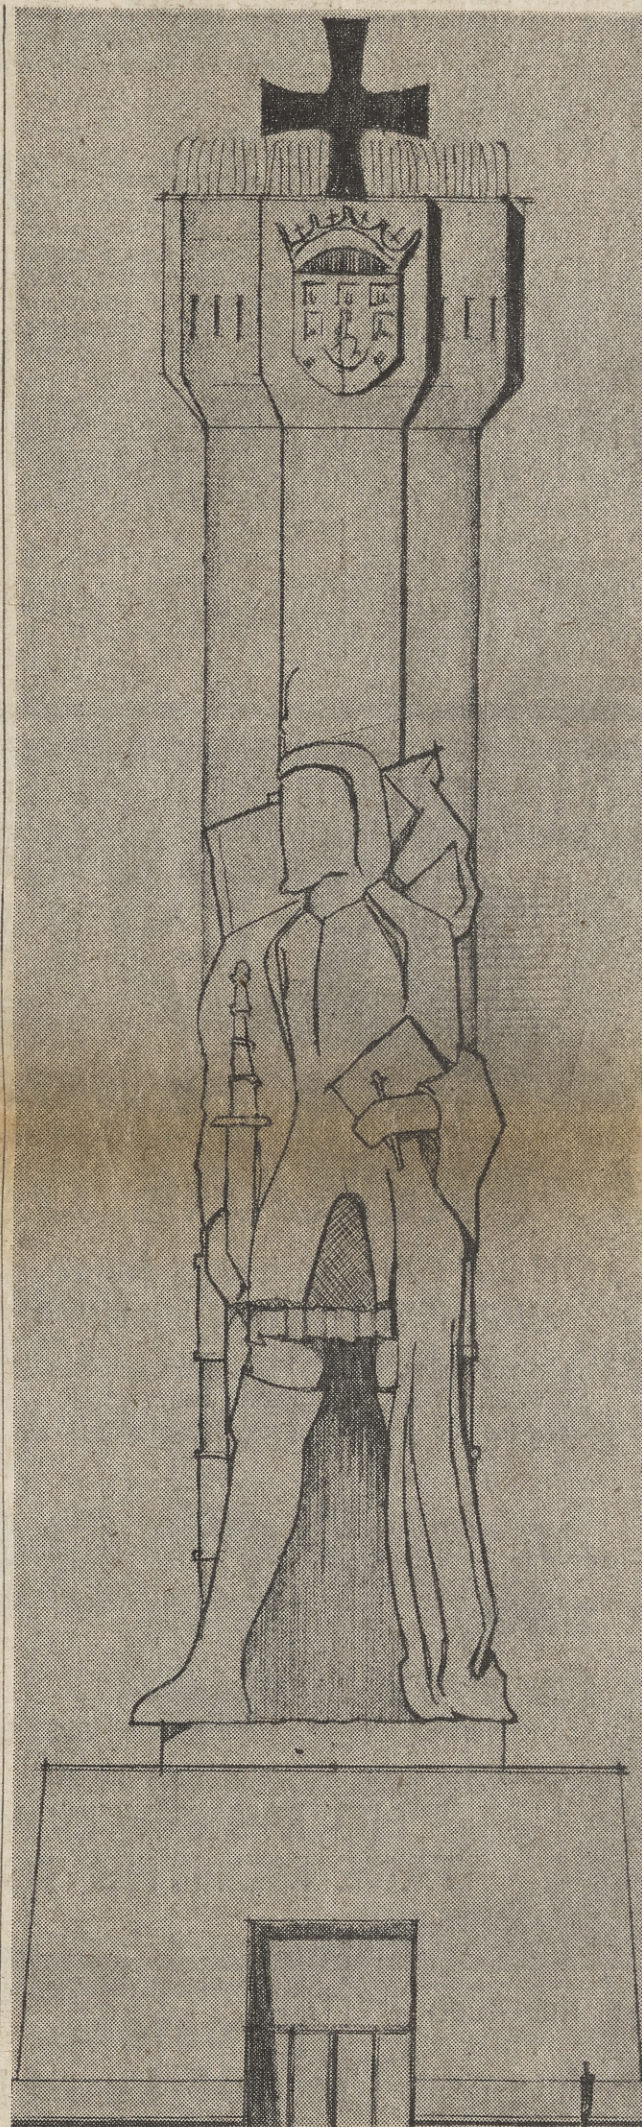

While the bay and ocean offer recreational facilities unparalleled in many other communities, expansion of parks such as the one proposed for the Warren housing at the intersection of Voltaire and Worden Sts. The latter site is a replacement for the old Collier park site which is poorly located to meet the park needs of the community.

Stress Field Games

The planners also recommend development of Robb Field to stress field games and active recreation, and encouragement of small plazas throughout the community.

While additional park facilities are needed, there are adequate public school facilities to serve the current needs of the Peninsula. It is

THE NEW CABRILLO—This is the 168-foot tall monument of Cabrillo proposed by Mayor Frank Curran Monday in his annual State of the City address. The monument would have an elevator that would take viewers to the top, offering them a commanding view of the ocean and San Diego skyline. The project would cost slightly more than \$1 million. The monument would be located on about a quarter-acre of ground a quarter mile from the present lighthouse.

Guided Missile Ship Maneuvers Off California

Seaman Henry E. Chase, USN, son of Mrs. Eldon McFerrin of 1753 Voltaire Ave., recently took part in "Bead Stringer" as a crewmember aboard the guided missile light cruiser USS Oklahoma City.

"Bead Stringer," a U. S. First Fleet training exercise, was held off the coast of Southern California and lasted from Jan. 4 through the 13th. It was planned to prepare the 23 ships and nine air units that participated, for conditions prevailing in Southeast Asia.

Commander

Navy Cmdr. Myron C. Insko, son of Dr. and Mrs. Myron O. Insko of 4517 Newport Ave., participated in "Bead Stringer" as a crewmember aboard the attack aircraft carrier USS Bon Homme Richard, which was held off the coast of Southern California and lasted from January 4 through the 13th. It was planned to prepare the 23 ships and nine air units that participated, for conditions prevailing in Southeast Asia.

Police Recruits

Councilman Sam T. Loftin will address the graduation of the 55th police recruit class tomorrow at 3 p.m. in Balboa Park's Recital Hall. The class of 64 is one of the largest ever to be graduated. It includes 57 San Diego officers and seven from outlying communities.

The students were swamped with tally sheets during both the primaries and the final runoff last week.

Kiddie Clinic Sponsored By Loma Council

Final plans for the preschool vision and hearing clinic to be sponsored by Loma Council PTA on Feb. 6 will be discussed at a Council meeting tomorrow morning at Silvergate School. Mrs. Douglas Woodworth, Council Health and Safety chairman, will discuss the jobs of the six participating PTA's in connection with the clinic.

The clinic will be held at the Point Loma Community Presbyterian Church from 9 a.m. to noon on Feb. 6. It is open to all children aged 3 to 5. The screening tests determine whether or not children need to have further examinations by a medical doctor. The Loma Council sponsored clinic is a part of the Ninth District program.

PTA health chairmen coordinating volunteers from their schools include: Mrs. Dean Dunphy, Barnard Elementary; Mrs. Arthur Miehalek, Cabrillo Elementary; Mrs. Lewis Bedford, Loma Portal Elementary; Mrs. George Stepanof, Ocean Beach Elementary; Mrs. Don Wilson, Silvergate Elementary; and Mrs. Wayne Smith, Sunset View Elementary.

Mrs. John E. Conner, Council president, will discuss Founders Day and Honorary Life presentations at tomorrow's meeting which begins with coffee at 9. Council Historian Mrs. Jack Baker will comment on the duties and requirements of PTA historians.

One way to save for a rainy day is by making regular purchases of United States Savings Bonds and Freedom Shares.

Dentist Will Lead Youth Tooth Week

EDSON L. MISENER

An Ocean Beach dentist has been assigned a key role in the San Diego County Dental Society's sponsorship of the 20th annual observance of National Children's Dental Health Week Feb. 4 to 10.

The appointment of Dr. Edson L. Misener, Jr., 1802 Cable St., as the celebration's Ocean Beach area chairman was announced this week by Dr. Thomas H. Baumann, president of the 550-member society.

Dr. Misener said the theme of this year's observance will be "Grow Up Smiling," which he said serves to emphasize the importance of good dental health among youngsters of all ages.

A native of San Diego, Dr. Misener received his undergraduate training at the University of California at Los Angeles and was granted his D.D.S. degree from the Uni-

versity of California Dental School in 1953.

In addition to his affiliation with the American Dental Association and the county dental society, Dr. Misener also is a member of Omicron Kappa Upsilon, an honorary professional dental fraternity.

In announcing plans for Children's Dental Health Week, he said one of the highlights will be the annual society-sponsored civic luncheon Feb. 7 in the Palm Room of the Grant Hotel.

Principal speaker at the affair, which is expected to attract some 500 guests, will be Phoenix attorney and noted platform lecturer Cavett Robert, who will discuss "America in the Changing 60s."

Surfer Played Drowned, Ended Runaway Try

A possum-playing surfer, believed drowned Saturday afternoon, ended his attempt to run away from home Saturday night at 11 p.m. by calling his father from the train depot.

The 15-year-old had been surfing at Ocean Beach about 4:45 p.m. when a friend saw him trying to catch a wave.

Shortly afterwards, the boy disappeared under the wave and the friend saw the surfboard float to shore. When the boy failed to reappear, the alarmed friend called the lifeguards.

After hunting until dark for a body, lifeguards called the Coast Guard, which searched with a helicopter until 11 p.m., when the boy's father called to say that the boy had telephoned from the train depot.

The boy had hoped to throw authorities off the track while he ran away from home, lifeguards said.

'Bead Stringer' Involves Ships And Air Units

Three Kearny men recently participated as crew members in "Bead Stringer," a U. S. First Fleet training exercise held off the coast of Southern California which lasted from Jan. 4 through the 13th.

Paulson of 8546 Dubonnet St.; and Machinists Mate Fireman William J. Crowley, USN, son of Mr. and Mrs. Joseph F. Crowley of 7442 Brentwood St.

Council Meetings

Continued from Page 1

Loftin said that the city attorney's office—which had a representative present—was the public's safeguard that no decisions were being made.

"I am sure that the Mayor and Council are aware of the Brown Act and we are perfectly willing to abide by it as it is written," said Loftin. He said that interpretations of the act by the council and by the press might be different, however.

Councilman Harry Scheidte also defended the council's right to meet. He said informal meetings of the council were held two years ago during the Watts riots in Los Angeles to map out action that would be taken in case of civil disobedience here.

Present at Tuesday's session were the mayor and all councilmen except Hom; City Manager Walter Hahn; Chief Deputy City Attorney John Witt, and George Story, council administrative assistant.

Councilman Schaefer said that among topics discussed were the mayor's proposal for a huge statue of Cabrillo on Point Loma and the future for a Shrine "burn center" in San Diego.

Councilman Hom said that the council formerly had docket conferences before council sessions, open to the press and public, but discontinued them in favor of conferences on specific items of concern of the docket. Those conferences have been held four times weekly on Tuesday and Thursday morning and afternoons.

"Whenever a majority of the council get together to discuss city business, problems, or programs it should be open to the press and public," said Hom. "This doesn't eliminate three councilmen from discussing things, but when a majority get together I think it's detrimental to have a closed session." Hom said the law now allows executive sessions for discussion of personnel matters and law suits.

Three Men Get Added Training At Pendleton

Three Pacific Beach men recently completed two weeks of training at Camp Pendleton under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics.

The men are Pvt. Gene R. Nelson of 2143 Missouri St.; Pfc. David A. Smith, son of Mr. and Mrs. Roscoe M. Smith, Jr., of 1444 Beryl St.; and Roger W. Malm, son of Mrs. Irene Malm of 3864 Kendall St.

This individual combat training is given every Marine after his graduation from recruit training.

Kertzer.

A brief, posthumous narrative that appeared earlier in a magazine is "Hornblower during the Crisis" by C. S. Forester.

Three new novels are "Landslide" by Desmond Bagley; "Samantha" by E. V. Cunningham; and "The Sparrow's Fall" by Fred Bods-worth.

Changes In SS Law Bring More Benefits

There have been many recent changes in the social security law in addition to the Medicare provisions.

With so much publicity about Medicare, some persons may have overlooked some of the other changes in the law. One of the more important changes has to do with benefits for widows between the ages of 60 and 62. Are you one of these widows?

One widow, age 60, recently visited the Social Security office to see if any of the changes in the Social Security law affected her.

She was informed that she could now receive widow's benefits starting as early as age 60.

She learned that if she chose to receive benefits before age 62, the amount of her payment would be reduced by five-ninths of one per cent for each month that she will receive payment while she is under 62.

On the average, a widow who accepts benefits before age 62 will receive about the same total benefits in her life time but in smaller monthly amounts to take account of the longer period during which she will receive benefits.

The amount of a widow's benefit at age 62 is 82½ per cent of what her husband would have received each month as a retirement benefit starting at 65 or later.

If she should choose to receive payments beginning at age 60, her benefits will be 71½ per cent of her husband's monthly benefit.

The widow can begin drawing her benefits with any month she is between 60 and 62 and the benefit will be reduced accordingly. Regardless of the month she chooses, she will be ahead a certain number of years.

For information concerning any aspect of the Social Security law, you may contact the Social Security office at 3211 5th Ave., San Diego, or call 293-5550.

Birth Defects

Crutch Drive Begins

Members of the American Legion will be sending out task forces to sell miniature crutches on Jan. 20 to help raise funds for the March of Dimes' fight against birth defects.

Legionnaires from San Diego County will be stationed at key corners of San Diego County's cities and towns from 10 a.m. to 5:30 p.m., according to Mrs. M. Virginia Brennan, third vice commander of the 22nd District of the American Legion.

"There are hundreds of different birth defects that afflict more than 250,000 babies born in the United States every year," Mrs. Brennan commented. "Each member of the American Legion participating in this sale hopes he can give a helping hand to support research programs at universities, hospitals, Birth Defects Research Centers and the Salk Institute for Biological Studies here in La Jolla."

Each person who donates will receive a small crutch for the lapel — a reminder that he has given to the March of Dimes in its fight against birth defects.

"Your Federal Income Tax," a 160-page booklet on Federal taxes also known as Publication No. 17, is now available at most Internal Revenue Service offices throughout Southern California, according to F. S. Schmidt, District Director of Internal Revenue.

The booklet covers in detail the Federal income tax laws as they apply to individuals. It contains many examples to illustrate application of the laws to actual situations.

Schmidt said the material is especially helpful to taxpayers who have unusual tax situations, or for those faced with a new tax problem for the first time. Examples of taxable and non-taxable income, and of allowable and non-allowable deductions are included. A detailed index helps pinpoint answers to tax problems.

A special feature in the booklet is the sample filled-in tax return, Form 1040, keyed to pages in the booklet where explanations can be found for the entries on the return.

The booklet may also be obtained from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20402. The price is 50 cents.

The San Diego Historical Society will hold its Annual Meeting and Dinner on Monday, Jan. 22, in the ballroom of the House of Hospitality. It has been announced by Leroy Hulden, president of the society.

The meeting will be combined with an Autograph Party in honor of the publication of "The Rising Tide," Richard F. Pourade's latest book in a series dealing with the history of San Diego.

The dinner will begin at 7 p.m., followed by the business meeting, which will start at 7:45 p.m. The agenda will include the president's report and the election of new board of director members to replace those whose terms expired at the end of 1967. Approximately one third of the

members of the board of directors will be replaced, Hulden explained.

Subsequently the new board of directors will elect the president for the year 1968. Hulden's term also having expired at the end of 1967.

Featured speakers at the program following the meeting will be Hugh Hall, director, and Charles Cordell, president, of the 200th Anniversary, Inc. They will discuss "The 200th Anniversary Challenge."

President Hulden urged all members to attend the entire meeting, but stressed the fact that the program was arranged in such fashion that members would find it easy to attend whatever portions were convenient for them.

During the Autograph Party music will be furnished by Jose Torres and his band. Pourade will be available to autograph copies of books purchased. By means of a scroll carrying their names, which will be displayed in the Gold Room during the no-host cocktail hour, special honors will be paid to famous

families of San Diego history. Another guest of honor will be Ernest Osuna, "El Hidalgo," San Diego's official representative of its 200th Anniversary.

Supervising plans for the Annual Meeting - Autograph Party is Mrs. Zelma Locker, chairman of the San Diego Historical Society's Women's Committee. General chairman is Mrs. Mary Rowan. Her assistants are Mrs. C. W. Switters, in charge of reservations; Mrs. Myrtle Curry, in charge of table decorations; Miss Rita Larkin, publicity,

and Mrs. Emily Welch heading the hostess committee. All members of the Women's Committee will act as hostesses.

Reservations for the dinner may be made by sending checks to Mrs. C. W. Switters, at 1222 Essex St., San Diego. Tickets are \$4.50 each. Checks should be made payable to the San Diego Historical Society.

Further information regarding the meeting may be obtained by calling the San Diego Historical Society, at 297-3258.

Charles T. G. Rogers of Leucadia, retired chief probation officer of San Diego County, will present a lecture-demonstration on "What Can You Believe?" Sunday, Jan. 21 at 7:30 p.m. at the California Parapsychology Foundation, 3580 Adams Avenue.

Rogers will discuss fully methods that have been used in fraudulent mediumship and will demonstrate these methods.

Although Rogers is known as an authority in the field of delinquency, penology, and crime prevention, has lectured at many colleges and universities, and has authored many articles on these subjects, few people are aware that he was active as a professional magician for 20 years.

He also participated in a Columbia University parapsychology research project. Mr. Rogers partly worked his way through college by acting as a "spotter" for Harry Houdini in his exposure of fraudulent mediums.

Cashless Economy Grows-Grows-Grows

Overshadowing all prior records, BankAmericard sales in California during 1967 showed a greater increase than in the previous two and a half years combined, according to Vice President John A. Dillon, BankAmericard director, who released year-end figures this week.

Sales in California surpassed \$335.1 million, Dillon said, representing an increase of 46.8 per cent of \$106.8 million more than in 1966. The highest previous sales in-

creases for a single year were \$42.3 and \$41.5 millions in 1966 and 1965 respectively. "This has undoubtedly been our most spectacular growth year so far," Dillon said. "In addition to the very high increase in sales volume, BankAmericard also set several other growth records from 61,000 to 80,000, or 31 nationally."

Nationally, in the first full calendar year of BankAmericard's out-of-state licensing program, sales reached \$548.9 million. The number of participating licensee and agent

banks increased from 54 in 1966, to 254 at the end of 1967, an increase of 470 per cent. The national program now covers 17 states.

Cardholders more than doubled nationally, from 2,800,000 persons in 1966, to 6,000,000 at the end of 1967. In California, the number of cardholders increased by 38 per cent, from 1,900,000 in 1966, to 2,640,000 in 1967.

The California growth, Dillon pointed out, did not involve mass issuance of unsolicited cards, since BankAmericard policy here, with few excep-

tions, requires that applications be received and checked for all new cards issued. Merchant outlets accepting the cards increased from 79,000 nationally in 1966 to about 155,000 in 1967, a growth of about 96 per cent. In California, BankAmericard merchants increased re-

state sales between BankAmericard-issuing banks to \$20.7 million. "The especially large growth of BankAmericard in California," Dillon said, "was probably due in large part to an increased public awareness of the value and convenience of bank credit cards, as well as a concerted program of building that involved bank employees throughout the state."

Nationally, he said, the growth of BankAmericard should continue at a rapid pace as banks currently licensed to issue the card pass through their formative months and additional banks enter the program.

Bus Payment Made On Time

The San Diego Transit Corporation today took its first step in repaying a \$3 million loan from the Southern California First National Bank.

Funds from the bank plus a \$3.9 million grant from the federal government's Department of Housing and Urban Development were secured to enable the city to purchase the assets of the San Diego Transit System and buy 100 new air-conditioned buses.

The City of San Diego took ownership and operation of the bus system on July 1, 1967, following a vote of the public on June 1966 authorizing the purchase and a property tax levy of 10 cents per \$100 valuation.

The total purchase price, plus funds to acquire the 100 new buses was \$7,902,000. A third group of drivers will leave Thursday morning

for Pontiac, Michigan to pick up 20 new air-conditioned buses for the San Diego Transit Corporation.

John C. Pippin, assistant to the general manager will head the caravan on its return trip of 2,607 miles through Indianapolis, Ind., Rolla, Mo., Oklahoma City, Okla., Lubbock and El Paso, Texas and Casa Grande, Ariz. The drivers will leave Pontiac tomorrow and will arrive in San Diego on Thursday, Jan. 25.

The first 15 new buses arrived on Dec. 14 and were greeted at ceremonies at the Civic Center. The second caravan of 45 buses arrived December 22.

Pippin plans another trip on Tuesday, January 30 for the final 20 buses which will complete the four caravans necessary to bring 100 new Transit Corporation buses from the Pontiac, Michigan plant of General Motors Truck and Coach Division.

The 100 buses were purchased from General Motors at a cost of \$3.5 million and have been put into service as they arrive.

General Manager Tom Prior said that 85 buses currently in service will be retired and that the Transit Corporation plans acquiring about 20 buses each year to provide constantly updated service to San Diego and surrounding areas.

Senior Citizens' Fair Plans Underway

Plans are well under way for the Senior Citizens' Fair, to be held Wednesday, Jan. 24, from 10 a.m. to 5 p.m. at the First Lutheran Church, Third and Ash, downtown San Diego.

The church is sponsoring this event and is providing its lovely patio for the occasion. In the event of rain, facilities indoors are available. The purpose of this fair is to support Adult Education Classes for Senior Citizens. You are cordially invited to attend. Admission is free!

This event will give the students, as well as the teachers, an opportunity to exhibit and display what can be accomplished in a project of this kind; also present the opportunity to sell some of the products of the classes for the benefit of the students and the Senior Citizens' student body.

It is hoped that this exhibit will have the effect of inspiring and interesting more people to take the classes. Each class will have a unique way of exhibiting their creative class activities. There is space provided for each group with a table or booth for such display.

Sewing classes will have items on display. The Choral Group will provide entertainment throughout the day. The Drama Class will have its members in costume in presenting their skit. The Arts & Crafts will display tools and books used in their class activities. Creative Writing Class will show how the written word is adroitly handled in the process of the written word, as well as an audio demonstration in the effectiveness of oral recitation.

Representatives material and sketches will be shown by all the Senior Citizens' classes in this exhibit, which has been brought to fruition by the students' creative ideas and endeavors under the able instructions of their respective teachers.

Show Biz Mentor To Appear Here

John Scott Trotter, a leader in American musical entertainment for 35 years will join forces with the San Diego Symphony February 2, 1966.

will be the guest speaker at the Symphonies Annual Civic Luncheon at noon in the International Room of the El Cortez Hotel. The luncheon launches the Symphony Association's annual fund-raising drive which will continue through February.

Trotter, who was born and reared in Charlotte, North Carolina, got his musical start in a University of North Carolina dance band as a pianist, and went on to become Music Director for Bing Crosby on radio and George Gobel on television.

It was during his university days that Trotter met band leader Hal Kemp and joined a group of five other men who performed at college parties. After a year, the group turned professional and went off to New York where they were heard by Fred Waring who helped them with theatre and hotel bookings.

For the next ten years Trotter did the arranging for the band, creating a style which became identified as the Kemp sound. Among his arrangements at this time were "Gotta Date with an Angel" and "Heart of Stone."

In 1936, Trotter headed west and did the scoring on a motion picture, "Pennies from Heaven" starring Bing Crosby. This assignment marked the beginning of an association with Crosby which continued for 17 years.

From 1937 and the days of Kraft Music Hall to 1954, Trotter served as musical director of Crosby's shows on NBC, CBS and ABC.

Great Hits

During their years of association Trotter presided over many of Crosby's recording sessions. He scored such hits as "White Christmas," "Swinging on a Star," "Toora Loora Loora" and "Wait Til the Sun Shines Nellie."

It was in 1954 that Trotter became known as Uncle John, a title given him by television comic George Gobel of Lonesome George fame. Their NBC and CBS shows continued through 1961.

Trotter has also made recordings with the Warner Brothers label—with three albums, "A Thousand and One Notes," "Escape to the Magic Mediterranean," and "John Scott Trotter's Music Hall."

He has recently completed the scoring of a TV Special, "Fabulous Funnies," which will be shown on Feb. 11 over CBS. At present he is preparing the scores for two animated specials, "Babar, the Elephant" and a Charlie Brown-Peanuts show featuring Snoopy and called "He's Your Dog, Charlie Brown."

He has been musical director of two previous Charlie Brown's—"The Great Pumpkin" and "You're in Love, Charlie Brown."

FLEMENCO SOLOIST—Spanish ballerina Nana Lorea appears with Jose Greco and his Spanish Dancers as soloist and as partner to Jose Greco in such works as Ravel's "Bolero" and the "Intermezzo" from Granados' "Goyescas." The Greco Company appears for two performances only at San Diego's Civic Theater. A new program to excite all tastes will be presented Saturday evening Feb. 10 at 8:30 p.m., and Sunday matinee Feb. 11 at 3 p.m.

Put-Togethers Shown At La Jolla Museum

A joint exhibition of constructions by prominent San Diego artists Jackson and Ellamarie Wooley opens next Wednesday at La Jolla Museum of Art.

Long known for the joint work in enamel, the exhibit will mark the couple's first San Diego showing of these recent works in a variety of media.

Included in the joint exhibition will be Jackson's painted constructions of polyester-coated wood and metal and Ellamarie's work with acrylic colors on raw canvas.

Mrs. Wooley has based her constructions on "Sun" and "Solar Day" motifs. Mr. Wooley's works are derived directly and indirectly from details observed around the San Diego waterfront.

Jackson and Ellamarie Wooley have been engaged in full time enamel and copper work since 1947. Examples of their enamel design can be found in a number of Southern California buildings including the First National Bank building and Civic Theatre, in downtown San Diego and the Bottle N' Beef restaurant in Coronado.

Jackson Wooley is a graduate of Carnegie Institute of Technology and has exhibited throughout the state. His

Soprano Sings; Six Licorice Sticks Wail

The San Diego Public Library will offer a widely varied chamber music program Tuesday evening, Jan. 23. The first half will present a vocal recital by soprano Frances Pool; the second half, a group of clarinets ensembles.

Frances Pool will sing songs in Italian and English by Scarlatti (Sento nel core, and Gia il sole dal Gange), Durante (Vergin, tutta amor), Gluck (Vieni, che poi sereno), Respighi (Ballata, lo sono la Madre, and In alto mare), John Duke (Loveliest of trees), Dougherty (The bird and the beast), and Sidney Homer (Sing to me, Sing). Her pianist will be George Trovillo.

Six clarinetists will participate in the second half of the Library program: Richard Braun, Edward Fisher, Daniel Magnusson Jr., Daniel Magnusson Sr., Robert Marr, and William Welch. Two quartets and five sextets are listed. The quartets are "Divertimento for Four Wind Instruments" by Alan Hovhanness and Suite no. 2, an arrangement of Mozart movements by Simeon Bellison.

Among the sextets is "Spiritual for Woodwinds" by one of the participating clarinetists Richard Braun. Mr. Braun has also arranged two of the remaining sextets, "Largo and Gigue" by Handel and "Pavane" by Ravel. The other two sextets are Jarnefelt's "Praeludium" and "Clarinetics" by Noah Klaus.

The Library's chamber music programs begin at 7:30 p.m. in the third floor Lecture Room of the Central Library and are open to the public free of charge.

Americans are eating more and better food, and paying a smaller per cent of their income for it, says Economic Research Service.

Crosstown Rivalry

Cal Western, Aztecs To Collide Saturday

California Western University's basketball team will meet, in all probability, its strongest opponent of the season Saturday, Jan. 20, hosting nationally ranked San Diego State College in Golden Gymnasium. Tip-off is 8 p.m. preceded by a 6 o'clock preliminary game between frosh teams from the two schools.

San Diego St., coached by Dr. George Ziegenfuss, owns a 9-4 record and is the seventh ranked small college team in the nation by both The Associated Press and United Press International basketball polls.

Coach Bob Kloppenburg's Westerners, meanwhile, will be attempting to bring their record closer to the .500 level for the season. So far, Cal Western has won six while losing nine games.

Last year the nationally ranked Aztecs nipped the Westerners, 53-52, with the Point Lomans winning the previous season, 71-60 and 69-58. In the series, both teams own two victories.

San Diego St. is led by big Al Skalecky, a 6-7 center who received Little All-America honorable mention last season along with 6-7 forward Bob Lundgren. Other Aztec standouts are forwards Bob Clem (6-2), Eric Martensen (6-7) and Dave Miller (6-4) and guards Rick Evaleth (6-4), Rip Barrett (6-0) and Bob Brennan (6-1).

"San Diego State has an outstanding team again," says Kloppenburg. "They have fine size and great depth. Plus, their record, as good as it looks, is deceiving because of a very difficult schedule."

"However, meeting one of the best teams in the country is always a great challenge and opportunity. We're looking forward to it."

Kloppenburg will open with a starting lineup of 6-8 Dennis Grey at center, 6-4 Tim Collins and 6-2 John Madison at forward and 5-9 Rich Wasser and 5-10 Larry Weddle at guard.

Weddle is a former All-Western League performer from Mission Bay, while State's El Eveleth gained similar honors when at La Jolla.

The curious Aztecs were underdogs when they traveled to Fresno last Friday, but upset the Bulldogs, 71-60. Then, on Saturday evening, they fell to a previously winless Cal Poly of San Luis Obispo team, 89-77.

Texans To Join Celebrities In San Diego Open

Ten Texans will lead off contingent of 32 out-of-state amateur players in the two-day pro-amateur event of the \$150,000 Andy Williams/San Diego Open, Feb. 8-11, at Torrey Pines.

The pro-am will be played by 90 foursomes of one pro and three amateurs each Feb. 6-7 on both Torrey Pines and Stardust Country Club. The pros will shoot for \$15,000.

Altogether 15 states will be represented in the pro-am event that will bring some of the nation's brightest entertainment stars to the Torrey Pines links.

Besides the Texas group, there will be three players from New York, two each from Massachusetts, Florida, Missouri, Kansas, Illinois and Nevada and one each from New Jersey, Oklahoma, Washington, Louisiana, Michigan and Colorado.

Some of the celebrities entered in the pro-am, their handicaps and clubs they play out of: Don Adams, 18, Riviera Country Club; Jim Backus, 12, Riviera CC; Rick Barry, 10, Round Hill C.C.; Milton Berle, 19, Hillcrest CC; Ray Bolger, 11, Bel Air CC; Chuck Connors, 17, Canyon Club CC; Vic Damone, 10, Riviera CC; Dennis Morgan, 16, (club not listed); Bob Newhart, 8, Bel Air CC; Forrest Tucker, 7, Lakeside CC; Bob Wayne, 9, Bel Air CC; Bob Wilke, 3, La Costa CC; Tennessee Ernie Ford, 10, Sharon CC; Jack King, 7, Riviera CC; Howard Keel, 7, Bel Air CC; and Bob Sterling, 4, Bel Air CC.

LITTLEFIELD

By LARRY LITTLEFIELD

She doesn't worry so much about Johnny dashing out to play and forgetting to brush with Gleem. Her main concern is that he returns with all his teeth.

Johnny, you see, plays harder than most boys. Of course, most boys aren't 32 years old and playing right winger for the San Diego Gulls.

"What I worry about most when he's out on the ice is that he might get hit in the mouth," said the lovely Mrs. John MacMillan. "He has such beautiful teeth and he's gone so long (this is his eighth season) that it would be horrible for him to lose any of them now."

John MacMillan of Milk River, Alberta, and his bride of five months from Memphis, Tennessee, are now the MacMillans of Pacific Beach. They'd like to stay in San Diego.

"It's just great," said MacMillan of the San Diego weather that was warmer than Miami Sunday. "Some of the visiting players from Rochester were shaking their heads and telling us we had it made out here. They all wish they could play for San Diego."

"Johnny Mac" is a graduate of Denver University and is currently working towards a Masters degree in business administration at San Diego State. He will seek a student visa to stay here after hockey season ends, Mar. 31.

With the season just about at the halfway point, MacMillan is slightly behind on goals but ahead on assists, compared to the '66-67 season with the Gulls, his finest as a professional.

So far this year, Johnny has six goals and 16 assists for 22 total points. Last year he was 20-26-46. With Rochester in '62-63 he has 22 goals, but 45 total points.

Johnny usually plays on the same line with Len Ronson and Alex Faulkner, which would have to be the number two line, if you judge by point production, behind Freddie Hiltz, Warren Hynes and Ed Ehrenverth. The popular Willie O'Ree is the Gulls' leading right winger, followed by MacMillan and Ehrenverth.

MacMillan describes himself as not being a "smart" player, but one who must depend on his speed. "A smart hockey player is one who can make the puck do a lot of things," Johnny explained. "For instance, Al Nicholson is a 'smart' player."

As far as being smart in reference to knowledge of the game, MacMillan is no dummy. He is a veteran of 100 National Hockey League games and played on two Stanley Cup winners with the Toronto Maple Leafs. His biggest ambition this season is to help the Gulls into the playoffs, on the road," he said. "And we'll have to win all our home games. We've got four left at home against Phoenix, that will help."

He is more worried about the road games because of San Diego's tendency to play poorly away from home ice. "I don't know exactly what it is, but almost all the teams are like that," he said. "Maybe we psych ourselves out. We can't seem to get off the dime. Only Portland has a better road record, and that's pretty unusual."

The Gulls are in Baltimore, Maryland, tomorrow night and won't return to the Sports Arena until Jan. 31 against Quebec.

MacMillan sees the acquisition of defenseman Jack Evans and Jim Holloway as the main difference between this year's club and last season's cellar dwellers. He is also high on rookie defenseman Dennis Huculak.

"People last year loved Jim Watson," Johnny said. "But this Huculak should make them forget Watson. For a rookie, he is fantastic. He does things out there that rookies just don't do; crazy things, and he gets away with them. He's going to be a great one."

MacMillan, even at 32, is one of the fastest skaters in the league. He's a natural skater but still works hard in practice sessions to stay sharp.

"I probably have two or three more seasons left," he said. "It all depends on the legs. As long as the legs are good, I can play. I'd like to stay on with the Gulls. The San Diego fans are wonderful."

Although O'Ree and Hiltz probably have the majority of fans yelling for them, MacMillan knows he's got a few supporting him, too. Like the woman nearby when MacMillan is involved in a one-on-one pile-up on the boards. She pokes at Johnny's opponents with a rolled up program through the screen.

The quiet, handsome Gulls' biggest fan is his wife, Marilyn, who will continue to worry about cavities. Not in his teeth, but in his mouth.

Undefeated Madison Faces PL Tomorrow

Pointers
Are 4-0
At Home

★ ★ ★ ★ ★
WL 'Star of the Week'

Undefeated Madison (3-0) and Point Loma (3-1), unbeaten at home, meet tomorrow in a crucial Western League basketball contest in the Pointer gym at 8:30 p.m.

It promises to be the first really big test for the Warhawks in league play and shapes up to be a "do or die" situation for the Pointers.

Clairemont, after blowing a chance to tie the 'Hawks Tuesday, travels to Kearny in a "must" game for the Chiefs, and surprisingly strong University visits La Jolla in other league offerings tomorrow. Both are at 8:30 p.m.

Madison and Point Loma hooked up once before in Klamath Tournament play and the Warhawks prevailed, 64-55. Big Ron Dahms scored 22 points in that one and the 6-10½ Madison center is now on top in the league scoring race, having replaced Point Loma's Charlie Garten.

Garten will start tomorrow, along with forwards Rick Gerding and Morgan Miller and guards John Urner and Scott Berndes.

Madison will counter with Dahms, forwards Phil Edwards and Phil Cohen and guards Tiny Tim Amrine and Bob Brady.

"In that first game we were flat and we knew it," Point Loma coach Don Buechler said. "We're looking forward to meeting them in our gym. We'll be ready for them."

Madison and Point Loma are one-two in the Western League standings, as well as in all games. Madison has a 15-4 over-all record and Point Loma is 11-5, but the Pointers have played a tougher schedule.

The Lomans will try to use Tuesday's 54-44 win over Kearny as a springboard to a victory that would put them in first place tomorrow night.

Point Loma overwhelmed the Komets with a fine shooting first quarter, 18-6, then coasted with Miller showing the way with 21 points.

Cohen, Madison's defensive specialist, will likely draw Miller as his assignment tomorrow, after successfully holding Mission Bay's Dennis Mayville and Kearny's Wilburn Strong to scant six-point efforts.

Madison drew a league bye Tuesday and whipped San Diego, 57-46, with Dahms pouring in 23 points.

In other league action, University upset a Don Martinless Clairemont team, 74-55, in the Don gym, handing the Chieftains their worst defeat of the season. It was University's first league win, as was Mission Bay's 66-50 conquest of La Jolla.

Frank Peterson continues to deal a hot hand of the Chiefs and scored 24 points to move into second position among league scoring leaders, but four Dons, shooting a warm 40 per cent, hit in double figures, too.

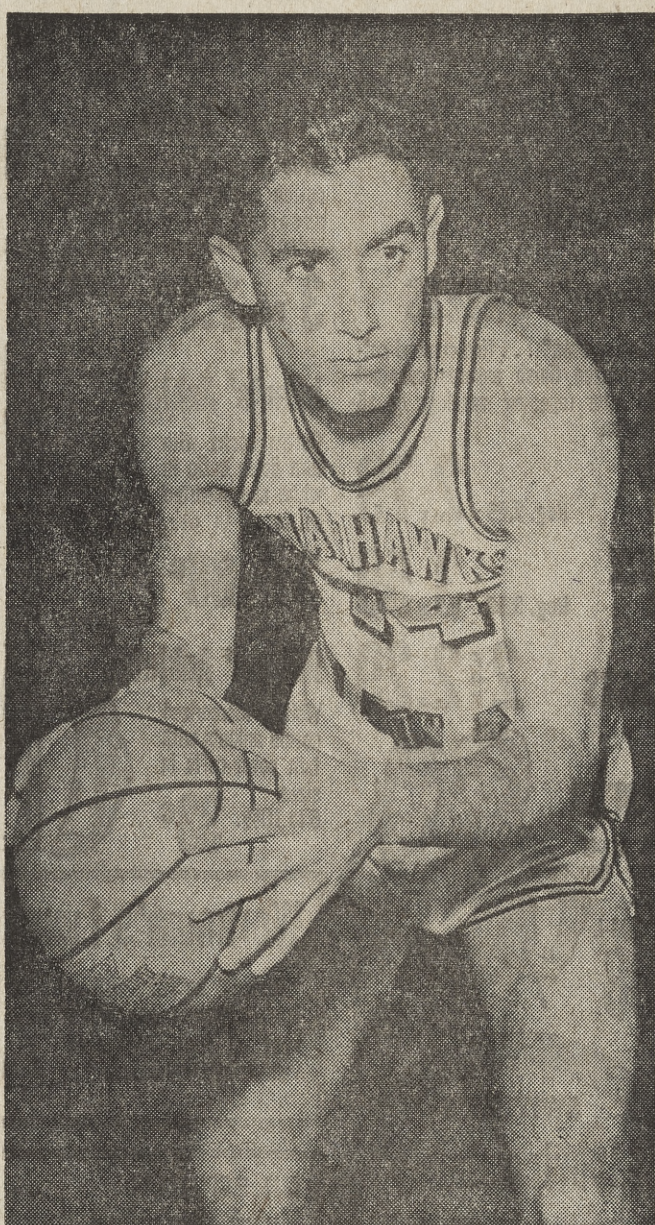

Don McCormick, Mike Grisham, Tim Gallagher and Kevin Madden, all juniors, hit 19, 18, 15 and 15 points, respectively. It may not be too soon to favor Uni for the championship in '69.

Clairemont, with Martin out early in the game with a sprained ankle, stayed with the Dons for only one period and will testify to both Madison and Point Loma that Uni will be tough to beat when they host the 'Hawks and Pointers.

Away from home, the Dons lost to Madison, 63-55, and extended the Pointers into overtime before falling, 61-59.

Mission Bay used 10 players to whip a ragged La Jolla team in a even more ragged ball game. Buccaneer aces Dennis Mayville and Steve Arter got into early foul trouble, but netted 16 and 13 points each to pace the winners.

La Jolla, outthrusted much of the second half and passing the ball poorly, received an 18-point effort from guard Jim Hunter, his best performance of the season.

GOIN' COHEN—Mike Cohen of Madison, this week's Sentinel Western League "Star of the Week," is the Warhawk's defensive specialist, which means he'll guard either Charlie Garten or Morgan Miller tomorrow night when Madison meets Point Loma in a crucial contest. Cohen can also score and helps give his team good balance.

Three Caliente Champs To Race This Weekend

Three of Caliente's newly crowned divisional thoroughbred champions are expected to exhibit the racing talents which brought them recognition last season by returning to action here next weekend.

Two of them, Vincent Pascarella's Shoe Admiral and Verne Winchell Jr.'s Some Count, are among the prospective starters in the featured Riverside Purse Sunday, and the sprint distance of five and one-half furlongs should be to their liking.

Shoe Admiral was voted the best 3-year-old of the season during the second semester of 1967, while Some Count not only was named the handicap king but also earned the Golden Horse Shoe trophy as "Horse of the Meet."

Another border champ, the Fairbanks-Jones Stable's Sahiberto, will attempt to continue the good work which established him as Caliente's foremost plater by taking on a tough field in the semi-main Sunday, the mile and one-eighth Berne Purse.

Idle for several weeks, Some Count, a 7-year-old son of One Count-Sister Leona, would face opposition in the Riverside from gallopers like

Bear Story, Frontlash, Murata San, Rickeyville, Salmaboo, Tail Bone, Pokomoke and Bloomer Girl as well as Shoe Admiral.

Sahiberto who collected six purses and climbed from \$1000 claiming to allowance ranks enroute to his Silver Horse award, could be overmatching himself a bit in the Berne, because his potential rivals include several who have been tested against top company.

One of the more consistent routers, Go Steady, is expected to enter, along with Foreigner, Aliberry, Lentigo, Perfect Blend, The Twang, Seanact Khal Kor, First Up, Ralitos, Indian Sea, Hiparco and Ah You.

Umpires Gather

Young men 14 through 25 years of age who would like to become baseball umpires and missed Monday's opening of the North Shores Umpire School, can still register Monday at the school's second meeting.

It is slated for 7:30 p.m. at the Pacific Beach Recreation Center, Diamond and Gresham streets. Bob O'Regan is supervisor.

JC Milers, Top Preps Added To Indoor Meet

Seven crack junior college milers and four prep events involving the finest high school track talent in the county, plus an invading hot-shot miler, have been added to the program for the second annual San Diego Indoor Games.

The Saturday evening, Feb. 3 meet at the Sports Arena will spotlight the world-class track stars. But the jaycee and prep stars provide a colorful backup.

The tracksters will be inaugurating the brand new banked red and blue boards of the Arena. The track has been built in Albuquerque and is reported to be the fastest in the nation.

The JC milers are led by Rick Fox, Palomar College. Fox placed third in the 1967 California JC Championships and had a 1967 best of 4:10.9. An outsider in the mile is Scott Chisam of Pasadena, who finished sixth in that meet and has a best four-lap clocking of 4:10.9.

There will also be a jaycee mile relay. The featured team is Meet Director Dick Cox's San Diego Mesa foursome which last year set a new record of 3:20.9. The only man returning from that team is Lanne, Clmt. Wesley Williams, McCormick Univ. who won the State interstate hurdles crown. Mesa will have James King, John

Roberts and Clark Diamond running ahead of Williams. The prep invader is stellar miler Robert Yslas of Madera High in Central California. He reportedly is one of the great prep mile prospects in the nation.

Yslas will have to contend with Tom Davidson, El Cajon; John Jacobsen, San Diego; Steve Becker, Kearny; Dave Carter, Monte Vista; Doug Tucker, Vista; and John Rios, El Cajon.

The best prep sprinters were named for the junior 60. They are Barry Allen and Robert Lofton of San Diego, John Phillips and James Talbot of Hoover, Dennis Williams of Kearny and Clarence Warren, Lincoln.

The junior 600 will bring together Stan Stolpe, Coronado; David Orr, Point Loma; Albert Fennell, Lincoln; Ron Figueroa, Vista; and Morgan Hodge, Mount Miguel.

Champions 'In'

Two more champions, David Pearson and Don White, representing rival racing organizations, have signed for the star-studded field gathering for the sixth annual Motor Trend/Riverside 500 at Riverside Raceway next Sunday.

Town Talk

BY MARY FISHEL

THE THREE R'S . . . and an O for Opera in the primary grades . . . is the dream of Mrs. Olga Maynard of San Diego and New York, distinguished author and lecturer on the theater. She will be the first speaker Jan. 22 (11 a.m.) for the Opera Interpretation Series sponsored by the San Diego Opera Guild at the House of Hospitality. Thanks to Mrs.

Maynard and Everett Gee Jackson (the artist) "The Magic Flute" was written to help prepare students to understand and enjoy the opera. This particular opera will be made available to San Diego County fifth and sixth graders in May. The book is designed for teacher, student and opera buff providing a preliminary knowledge of what they will see and hear. Mrs. Maynard and Mr. Jackson have contributed all proceeds from the book to San Diego Opera Guild's Youth Program and will autograph copies the day of the lecture.

Exposing children at an early age to opera and ballet is of the utmost importance, according to Mrs. Maynard. She emphasizes the cultural and artistic aspects of the theater by developing an understanding in youngsters. She stated "My greatest desire is to interest young audiences in theater, because I believe that students should be aware of their American culture and because I know the future of our national theater depends on the audience today and the audience tomorrow."

When the new Metropolitan Opera House at Lincoln Center in New York opened in 1966, Charles Scribner's Sons published Mrs. Maynard's "Enjoying Opera" . . . a book for the new opera-goer. Following this the New York City Public Libraries asked Mrs. Maynard to select material from the book for reprint and circulation to students in New York. "Children and Dance and Music," her latest book published by Scribner's will be available Feb. 15. This is a study of approaches through dance and music to the young person in contemporary society.

Mrs. John L. Gallagher of Pacific Beach, chairman of the series, has announced the Opera Interpretation Series is open to the public and single tickets or strips may be purchased at the door or by contacting Mrs. James T. Colwell. A no-host luncheon will follow the lectures in the Copper Room of the Cafe del Rey Moro, House of Hospitality. Luncheon reservations are limited and should be made by contacting Mrs. Fred W. Beyer.

SPEAKING OF . . . students the Student to Student program in La Jolla will be helped to the tune of \$1,200 by a gift from Las Patronas. This tutorial program was begun under the auspices of the La Jolla Country Day School and now volunteer students work during the summer months with young

children in need of academic help.

High school students from La Jolla Country Day, The Bishop's School, La Jolla High and college students help the youngsters under the professional guidance of trained teachers who assist with the program.

This month Las Patronas will also contribute \$100 to La Jolla Library and \$1,500 to "Let's Go San Diego". Family Service Association, Boys and Girls Aid Society and La Jolla Recreation Center earlier received \$34,000 (Jewel Ball funds) according to Mrs. Edward P. Scott.

MRS. HARRY E. FARB . . . president of the Women's Association For The Salk Institute has suggested a very nice way for people to help returning war veterans from Vietnam AND Salk Institute . . . buy several tickets for the "Andy Tonight" concert scheduled Feb. 6 at the Civic Theater.

Then don't go . . . give them to the veterans. Matter of fact, there are hundreds of boys in the service stationed in San Diego, who would probably love to go. This is the first, major, fund-raising event arranged by WASI.

TWIGGY APPEAL . . . seems to be in these days with all age groups as was proven Saturday at the G. H. Booker home in Ocean Beach, when they entertained for son Gerald's seventh birthday anniversary.

Invited to wear costumes, they really did. There were pirates, hoboes, clowns, gypsies, angels, bunnies, space-men AND Twiggy beating a steady path to the Booker's front door!

Kit Higginson, an amateur magician, was also very popular with the guests. Not to mention the cake, ice cream and other goodies. Charades was the game they all wanted to play.

Having fun were Elena Brazil, Dino Cresi, Jack and Jimmy Akridge, James and Michael Turner, Dene and Mark Hilsen, Susan and Michael Cassel, Kellie Booker (she is Gerald's sister), John Azevedo, Michael Barry, Pamela Beardsley and Barbara Brigden.

Others were Heather Brown, Steven Brown, John and Paul Clack, Alan Grobmeier, Charles Harvey, Darlene Howard, Bettina Luftner, Christine Jensen, John McBride, Carolyn Reynolds, Maure Silverman, Erin Sorensen, Tina Wetherington and Melinda White.

And the guest of honor Gerald!

Roundup Set

For House

Silvergate Unit of the Woman's Auxiliary of Children's Hospital will hold a western "roundup" at 10 a.m. Jan. 23 at the home of Mrs. Amos Root.

The annual event is planned to collect reusable items for the group's Thrift House. Members will dress in western attire and hold a chuck wagon lunch. Cards decorated with cacti and western hills were used as invitations for the party.

Mrs. Evan Shaffer, ways and means chairman, is in charge of the event. Hostesses will be Mmes. David Reed, Lee Rensberger and M. S. White.

University Club Sets Musical Program

The Woman's University Club of San Diego will hold a 7:30 p.m. dinner meeting preceded by a 6:30 p.m. social hour Jan. 26 at the Tiki Room of the Town and Country Hotel.

Honored guests will be husbands and escorts of members. Mrs. Hubert Price, chairman, and Mrs. Michael Chamberlain, co-chairman, are in charge of the dinner and entertainment.

Arlene Wells and Arthur Ross-Jones, singing artists, will be featured on the program. Miss Wells has recently returned from a theater tour in Australia and New Zealand and at major hotels in Chicago, Miami, Seattle, Reno, Palm Springs, Melbourne and on all major television networks.

Ross-Jones tenor, has con-

cert repertoire including songs in 11 languages, has portrayed leading roles in the United States and abroad in grand opera and has won critical and popular acclaim as a singer on American television networks and the Canadian Broadcasting Corporation.

Mrs. V. Earl Roberts will preside at the meeting. Mrs. John N. Williams, program committee member, will introduce the guest artists.

Mrs. Lee L. Bloomenshine, decorations chairman, has asked Mrs. Franklin T. Hale and Mrs. Harry Haelsig to be in charge of floral decorations for the dinner tables and stage areas. Guests will be greeted at the door by members of the hospitality committee headed by Mrs. Leland G. Stanford.

Mrs. Beach Will Speak

Mrs. Warren Beach of Point Loma will give an art lecture at a 1 p.m. luncheon of Mount Holyoke Club of San Diego Saturday at the King's Inn.

Mrs. Beach will discuss the Dwight Memorial Art Collection owned by Mount Holyoke College. Her talk will be illustrated by slides of the collection which have been sent from the campus at South Hadley, Mass.

The speaker, a graduate of the college and of Simmons College, has recently returned from a six-month art tour

of Europe. She has served as a Docent of the Fine Arts Gallery where her husband is director. She has also served on the Mental Health Committee and is a member of the Wednesday Club.

The committee in charge of the luncheon includes Mmes. William Cudney, Homer Wallin and Bill Martin. The new club is an affiliate of the Seven College Council of San Diego. It works to interest qualified prospective students in Mount Holyoke, the oldest liberal arts woman's college in the United States.

Temple Beth El Observes Sisterhood Sabbath Friday

Rabbi Maurice Idell, spiritual leader of Temple Beth El, announces that Sisterhood Sabbath will be observed at Temple Beth El, 3410 Mt. Acadia, tomorrow at 8:15 p.m. The following officers will conduct the Sabbath Eve service: Mrs. Irving Klein, president, Mrs. Miki Schwartz, vice president and Madames Frank Hoffman, Larry Cohen, Justin Wenger, Sam Rosenberg, Larry Rubel, Joe London, Bill Goldschneider and Norman Albert.

Mrs. Maurice Idell, past president of the Southwest Region of the United Synagogue of America Women's League, will deliver the sermon. Her topic will be "Responsibilities of a Jewish Woman." Rabbi Idell will introduce his wife, welcome and bless the congregation.

'Life' Provides Lesson Theme

"For in him we live, and move, and have our being." This verse from Acts is part of the Responsive Reading of this week's Lesson Sermon on "Life" to be read in all Christian Science churches Sunday.

Evangelist, Soloist Appear

Dr. John E. Haggai, international evangelist, lecturer and author from Atlanta, Georgia will be the speaker at an all-church rally in Russ Auditorium, San Diego, Sunday afternoon Jan. 28, beginning at 3 p.m.

Jim Roberts, featured soloist on the Lawrence Welk TV program, is scheduled to sing on the program. Mr. Roberts has assisted Evangelist Haggai on many of his engagements on the West coast.

This rally program is designed to introduce Haggai to this area in advance of the "Greater San Diego Crusade For Christ" which will be conducted by him and his team in San Diego in September. A committee of ministers and laymen have been involved in preparing for this all-church Crusade. More plans will be announced at the Rally Jan. 28.

Dr. Haggai is currently conducting a preaching mission in Vietnam and will come directly to San Diego following this series of engagements. In December he visited in Indonesia to speak at gatherings and is expected to return there this year.

Haggai not only has city-wide and area-wide evangelistic ministries but also conducts "Key to Life" radio broadcasts heard each week from coast to coast and is also the author of a book, "How To Win Over Worry."

The career of John Haggai really began with the conversion of his father in Damascus, Syria. This event accounts for his intense interest in missions and evangelism throughout a varied ministry which began in Illinois and includes four pastorates in three states.

While pastor of a church in Louisville, Kentucky the membership increased from 2600 to almost 4000 in less than three years. It was while ministering at this church that he received over 400 invitations from across the nation to hold all-church crusades and led him to enter full-time evangelism. Shortly thereafter the Haggai Evangelistic Association was formed in order to broaden the scope of the world-wide ministry of the preacher and his associates.

Realizing that world evangelism presents a tremendous challenge, Dr. Haggai and his team have embarked on a "crash program" to stem the rising tide of evil and hopelessness and to take the message of Christ to lost men everywhere. His dynamic preaching produces results wherever he goes.

The San Diego engagement will present Dr. Haggai in a message which will bring a first hand report of conditions in Vietnam. The public is invited and there is no admission charge. Doors to the Russ Auditorium will open at 1:30 p.m.

'Frontiers'

Youths To Youth Worship

Continuing in the series on new frontiers in mission, the Point Loma Methodists will hear from young people of their own church who will lead in the worship service at both 9:30 and 11 a.m. on Youth Sunday, Jan. 21.

This weekend, some 30 junior high young people from the church are meeting for their second annual winter weekend at Camp Virginia near Julian. They are meeting around the theme, "Risk-taking Behavior." Camp sessions include discussion, devotion, hikes, games and group singing.

The junior high special program at the church, the Methodist Youth Academy, began a new quarter's work on Tuesday, January 16, with the focus on "Achieving Christian Maturity." Reverend Mr. Charles Wiggins, minister of education at St. Mark's Methodist Church will be the lead teacher for the series, which will extend for some twelve weeks.

Science Church Holds Service At Woman's Club

The La Jolla Community Church of United Religious Science holds Sunday Service in the La Jolla Woman's Club, 715 Silverado at 10:45 a.m. Junior Church meets at the same time directly across the street in the La Jolla Recreation Center. Care is available for small children during the Service.

"Helping People to Meet Their Needs", is the title of the sermon address by the minister, the Rev. Robert E. Whitworth, R.Sc.F. Positive Christianity changes lives, it restores hope to those in despair. It gives guidance to those who feel lost; it gives maturity to those willing to grow up. It also gives strength to those who have been acting as slaves to weakness and tyrannical habits.

The Church will hold its annual Membership Dinner on Friday evening, Jan. 26 at 6:15 p.m. in the North Hall of the La Jolla Woman's Club. All registered members of the La Jolla Community Church are urged to attend. Reservations must be made by the 21st, either through Miss Esther Benter, the Social Chairman, on Sunday morning or through the Church office. 'Deeds And Devotions' Preached This Sunday

"Deeds And Devotions" will be the subject on which Dr. J. V. Roth, Pastor of Pacific Beach Presbyterian Church, will preach at next Sunday's 9 and 10:30 a.m. church services.

Of special interest this Sunday will be the first use of the church's new pipe organ in regular church services. The Chancel Choir's first anthem accompanied by the new organ will be "Glorify The Lord With Me," by Berger.

Formal dedication of the organ is anticipated at a later Sunday's services, probably February 18.

The church's Junior Highs, jointly with Junior Highs from La Jolla and Mt. Sol-

dad Presbyterian Churches, will have a week-end retreat at Camp O-Onga near Lake Arrowhead, leaving this Friday evening at 4:30.

Shipmate Mariners will install new officers at their January meeting this Saturday evening, beginning with pot-luck supper at 6:30 in Calvin Hall.

Sermon Theme Announced By Rev. Donhowe

On the third Sunday after Epiphany the Rev. Charles H. Donhowe, pastor of La Jolla Lutheran Church, 7111 La Jolla Blvd., will preach on the theme "New Birth — Living Water."

The Worship Service begins at 10 a.m. with all Sunday school students in attendance. The offertory anthem will be sung by the choir under the direction of Mrs. Donald Swanson. Mrs. Anne Sis-kowic will be at the organ.

Instruction classes for all ages and an adult Bible discussion class follow the Worship Service each Sunday. At 7 p.m. in the chapel there will be the Annual Congregational Meeting. All voting members, and others who may be interested, are invited to attend this meeting.

IN THE OLD DAYS

In Aunt Miranda's day there was no question about whether you went to church on Sunday. You didn't stay home because it was raining or snowing, or because you had a slight headache. You went—by horse-drawn wagons or carriages—a much harder trek than it is today.

Maybe because it was harder, people appreciated it more. Maybe in that era of pre-modern conveniences people had a better sense of values. They seemed to know, at any rate, what was really important.

Of course, the church is just as necessary today as it was in Aunt Miranda's day. Certainly the complexities of our present generation make life's problems seem increasingly abundant. Hadn't we better go to church next Sunday—and see for ourselves?

**Symphony Concert Will
Feature Mary Costa**

Blond soprano Mary Costa has been signed to sing with the San Diego Symphony Orchestra next Thursday at 8:30 p.m. in the Civic Theatre, according to William L. Denton, the symphony's general manager.

Miss Costa will replace vocalist Teresa Stratas who had earlier been scheduled to sing with the symphony, Denton said. Miss Stratas requested to be released from her contract to appear locally following her arduous schedule at the Metropolitan Opera where she has just completed a role in "Hansel and Gretel."

Zoltan Rozsnyai, music director and conductor, released Miss Stratas from her contract.

**Young Musicians
Can Participate
In Talent Contest**

Serious young musicians in San Diego are invited to participate in the talent contest conducted by the Young Musical Talent Foundation in cooperation with the La Jolla Civic Orchestra Association.

Auditions will be held on Saturday April 13 in Building 409 on the campus of John Muir College, University of California, La Jolla.

Musicians can apply in the following categories: Pianists up to age 23; Singers up to age 26; Orchestral instrumentalists up to age 23.

The winner appears with the La Jolla Civic Orchestra in Sherwood Hall later this year. Certain cash awards may also be made.

Application forms from: The Young Musical Talent Foundation, 846 Prospect St., La Jolla, Telephone 454-2441.

tract commitment although he did obtain from her a promise to make her debut with the San Diego Symphony here next season, Denton said.

Miss Costa will be making her second appearance with the local symphony when she sings later this month. She appeared in the 1964 summer season on April 11, and has also been seen in San Diego in November, 1963 in the San Francisco Opera's production of Verdi's "Falstaff."

Miss Costa, who has also sung at the Metropolitan, will be heard in the local concert in Mahler's "Symphony No. 4" and in "Four Last Songs" by Richard Strauss, as originally planned. A third selection for the program has not yet been made by Miss Costa, Denton said.

Miss Costa's concert will be the fifth in the symphony's series of nine this season. She will be followed on February 8 and 9 by pianist Claudio Arrau, on Feb. 22 and 23 by a choral concert, on March 23 by violinist Krzysztof Jakowicz and on April 11 by pianist Leonard Pennario.

One of the most unique organizations in Southern California will again offer free unicycle riding instruction.

The San Diego Unicycle Club's last practice session last week attracted nearly 100 enthusiastic new unicyclists.

For free instruction bring your unicycle to Mission Valley Center (in the parking lot near the May Co.) Sunday, Jan. 21, at 3 p.m. Everyone is welcome. There are no age limits.

For more information call the San Diego Unicycle Club, 224-2691. Operators are now on duty. Watch for the San Diego Unicycle Club playing basketball on unicycles.

FOLK-ROCKERS—Paul Simon (left) and Arthur Garfunkel, who are expected to be among the finalists for Academy Award consideration for their musical work in the motion picture, "The Graduate," will perform at 8:30 p.m. Feb. 3 in the Convention Center. The popular folk-rock musicians, who gained success with their recording of "Sounds of Silence," currently are riding the crest of the record charts with their version of "Falkin' It."

**Skirted Skreelers
Appear Wi' Staters**

Complete with bagpipe and drum, 50 kilted members of the Macalester College Drama Chorus will present a special program Wednesday, Jan. 24 with San Diego State's 100-member Verse Choir.

The joint program of speech arrangements will begin at 8 p.m. on the main stage of State's new Dramatic Arts Building. There is no charge.

Now on tour of the western United States, the Drama

Chorus of Macalester College, St. Paul, Minnesota, employs dances and special effects in lighting and sound for its verse arrangements.

"It is the most versatile group of its kind in the nation," according to E. Kingsley Povenmire, professor of speech arts and director of the San Diego State Verse Choir. Povenmire said he visited Macalester College, a Presbyterian institution, in 1964 while on a national tour of 46 colleges and universities.

He and his wife were honored with a special program in costume by the Macalester Drama Chorus which was, he remarked, "just marvelous."

Povenmire said the performance 24 will be a reunion for all former members of the San Diego State Verse Choir.

The San Diego State Verse Choir will perform "The Bells" by Edgar Allan Poe, "The Odyssey of Runyon Jones" by Norman Corwin, "For Whom the Bell Tolls" by John Donne, and "How's Your Sequence?" a special arrangement by Povenmire and the Verse Choir. Macalester College's program will be announced.

**Economy Slows Down
But Stays Up Higher**

Southern California's economy slowed down slightly for the first time in nine months during December, it was reported today by George S. Potts, Vice President and Manager of Security First National Bank's Mission Bay Branch.

Local business activity remained about 10 percent higher than a year ago, Potts said. Its December level is estimated at 167.5 on the index of Business Activity for Southern California, which is compiled by Security Bank's Economic Research Department. The index stood at 152.7 a year ago.

Last month's estimate represents a decline from November, for which the preliminary index reading is an all-time record mark of 169.4. December's level remained above that of October, when a previous record of 166.3 was established, Potts continued.

Among individual index economic indicators (which are adjusted for seasonal fluctuations), construction activity increased fractionally, while

department store sales, bank deposits and real estate activity all declined, Potts said. During November, the latest month for which labor figures are available, employment reached its highest level for any November on record and employment declined to its lowest level in 10 months.

Employment of 4,618,000 civilians in the Southland's nine metropolitan counties meant a one-year gain of 121,000 workers. On a year-to-year basis, employment has risen 2.7 percent locally and 1.7 percent nationally, Potts reported.

On a seasonally adjusted basis, unemployment averaged at 4.6 percent of the nine metropolitan counties' total civilian labor force during November. The local unemployment rate, down from October's 4.7 percent, is identical to the ration recorded in November of 1966. Nationally, unemployment has risen from 3.5 to 3.9 percent in a year's time. Security First National Bank's Research Department concluded.

**United States Bank Reports
Increase In Total Deposits**

The United States National Bank today reported that total deposits at Dec. 31, 1967 were up 19.5 percent to \$380,212,923 from \$317,859,818 at Dec. 31, 1966.

Loans were up 5.4 percent to \$238,486,681 from \$225,353,251 at December 31, 1966. Total resources were up 13.7 percent to \$429,455,234 from \$383,213,925 at Dec. 31, 1966.

The Board of Directors voted a 2.1053 percent stock dividend aggregating 20,000 shares, increasing the capital account of the bank to \$9,700,000. If approved by the Comptroller of the Currency, the stock dividend will be paid Feb. 29, to shareholders of record at the close of business Feb. 12.

The operating earnings before income tax for 1967 were \$2,469,027 or \$2.60 per share compared to \$1,947,999 or \$2.25 per share for 1966 based upon 950,000 and 915,000 shares outstanding respectively.

Net operating earnings af-

ter taxes for 1967 were \$1,499,224 for 1967 or \$1.53 per share compared to \$1,173,561 or \$1.28 per share for 1966. These figures reflect compliance with the new reporting requirements of the Comptroller of Currency requiring an income tax allocation against operating earnings even though the bank will pay no income tax for 1967 because of substantial additions to its bad debt reserves necessitated by acquisitions of independent banks.

**Art Adventure
Painted For
Public Show**

An exotic and colorful illustrated lecture will be presented by J. Milford Ellison and the La Jolla Art Association on Friday, Jan. 26 at the La Jolla Recreation Center on Prospect St. at 7:30 p.m.

The one and a half hour program describing the artist's Pacific adventures is offered to the public free of charge, however, it is hoped that donations will be contributed to the Art Association's Scholarship Fund.

Ellison, La Jolla resident and nationally known watercolorist, recently completed a lengthy tour of Pacific Islands, Australia, Thailand, Cambodia, Formosa, Japan and Hong Kong. Avoiding the usual tourist shots he has captured with an artist's sense of composition and color the people and places of the far East.

Head of the Art Department at Point Loma High for many years, Ellison is competent in all media. He has been listed in "Who's Who in American Art" since 1946 and won numerous awards on the Pacific Coast. As a teacher he is credited with inspiring the careers of several very successful pupils in various art fields.
